Dear Nick:

Just a quick note to say "Thanks" for your generous contribution of the Vantage Golf Shirts and pull overs.

These kick off meetings are one of the few times we get all the managers, supervisors and senior management together to talk strategy and discuss where our company is going in the future. It is because of gifts from companies like yours that we can proudly show your support.

Again, thanks for making our kick off meetings a success.

Regards,

Chip *Rick* *Charlie*
